Items needed:

- Construction paper
- Scissors
- Glue Stick

Instructions:

1. Cut two 1 1/2 inch lengths from construction paper for the headband parts. Cut from lengthwise side of paper.
 2. Designs can be drawn on the headband or it can be left plain.
 3. Glue strips together to fit the size of your child's head.
 4. Draw a feather about 8 inches long and cut out. Glue to inside of headband.
